Re: *Board of Appeals A.B. Nos. 997, 998, 999, 1000, 1001*

Dear Mr. Caster:

This letter is in regard to the upcoming appeals of the appraised values of groundwater under State Land Department application numbers 21-102152, 21-102153, 21-102154, 21-102155 and 21-102156. My client has asked me to send you a copy of the sales report for auctions of groundwater held in September of 1997. In both auctions of groundwater held, the water was sold at the appraised value of \$85.00 per acre foot. The sales report and the notice of sale are attached for your information.

In addition to the list of witnesses and exhibits required by the Rules of the Board of Appeals, I am planning on submitting to the Board a motion to consolidate the hearings on the five appraisals. If you would like to join in that motion or discuss it further, please call me at 542-7789. Thank you.

Sincerely yours,
